Work Experience

2018 Worked as a Tabletop Card Artist, Premiere Presenter and Social Media Manager on ***The Vault of Champions***, as part of a two-week-long crunch project organised by The Cornwall College Group, working closely with project leader Miles Waterhouse, I was one of four premiere presenters on the final night, presenting to over 50 attendants, of which included four representatives of local Game Companies, one of which being Katie Goode, Creative Director at Triangular Pixels and known for her work on the BAFTA nominated Virtual Reality game *Unseen Diplomacy*.

2021 Working as Founder and sole trader of 'Marten Beyond', currently working as sole developer, artist, animator and designer of ***The Legend of Fjarri*** set to be released on Steam late 2021.
